

PNWIS 2022

Call for Abstracts

You are invited to submit an abstract for the 60th Annual Conference of the Pacific Northwest International Section of the Air & Waste Management Association hosted by the Inland Northwest Chapter. The conference will be held **October 11 – 13, 2022** at the four-star **Coeur d'Alene Resort** located on 115 S. 2nd Street in Coeur d'Alene, Idaho.

Located on the northern shore of beautiful Coeur d'Alene Lake, the Coeur d'Alene Resort is known for its luxurious accommodations, first-rate dining, incredible views, excellent service, golf course with floating green, and year-round activities. The award-winning resort includes a spa, fitness center and pools, shops, and diverse restaurants.

We are soliciting presentations to be given during the conference on a variety of topics including, but not limited to air quality, dispersion modeling, water quality, waste management, mining, and environmental sustainability.

Abstracts are limited to no more than 300 words, and should include the following:

- Primary presenter's name, affiliation, address, email and phone number
- Title of the presentation
- A clear description of the presentation content
- Indication if you are a "student" or "young professional" (35 or younger)

The one-hour forty-minute sessions will consist of four 20 minute presentations with roughly 5 minutes for questions following each presentation. Final presentation length may need to be adjusted to fit the schedule.

Please submit your abstracts to 2021PNWISpapers@gmail.com (carried over from last year) by **July 18, 2022**. Presenters will be notified by August 26, 2022 of acceptance, session date and time, and session chair. Accepted abstracts will be printed in the conference program.

Session chairs and presenters can receive a discount on registration fees for a full conference registration. In addition, conference attendees can receive an additional discount for registering before **September 2, 2022**.
